No worries! We'll leave it to Mark when he's back unless something crazy happens and we need it out pronto, in which case I can juggle things around.

Shirin,  
I think we should wait until Mark gets back next week to finalize this. I sent two press releases out today in his absence and have to turn my attention to some other enforcement cases assigned to me and some media interest resulting from the press releases I sent today.  
Unless Mahri wants to take the baton on this one, I suggest we wait until Mark returns next week.

Here are my suggestions on the Flint Hills CAFO press release.

I just got the signed CAFO back from the respondent today so will put this version in the routing package and send it on its way.

Hanady, I'm around if you want to discuss any of my suggestions. Thanks!
